

2011 MSA MEMBERSHIP INFORMATION

Purposes of the Society:

An organization that promotes the planting and preservation of shade and ornamental trees, the Society of Arboriculture will supply you, the professional, lay person, or student, with current information on events happening in the fields of arboriculture and urban forestry.

Membership Classifications:

Regular \$40

These are professional and lay individuals actively engaged in the fields of arboriculture and urban forestry or in other fields relating to the care and preservation of shade and ornamental trees.

Student \$10

These are individuals enrolled in arboriculture, urban forestry, or related fields at an accredited university, college or vocational institute. This category has non-voting status.

Associate (Business) \$50

These are individuals, organizations, and corporations that are suppliers of products and materials related to arboriculture and urban forestry. Advertising is available in the MSA membership directory. MSA mailing labels are also available on request. This category has non-voting status.

General \$30

These are lay individuals interested in the areas of arboriculture. This category has non-voting member status.

Lifetime \$400

These are professionals actively engaged in the fields of arboriculture and urban forestry.
